For a more comfortable journey

When flying in our Business Class on long-haul flights, you can enjoy our travel essentials that add comfort to your journey.

The amenity kit is designed exclusively for Finnair by the Finnish design house Marimekko. Inside the versatile and reusable pouch you will find Marimekko eye mask, earplugs and Humble Co. dental kit with a toothbrush made of bamboo and toothpaste. The pouch and eye mask are both made of 100 % recycled polyester.

Waiting on your seat are also soft felt slippers, made from recycled PET bottles.

In addition, we provide socks, shaving kit, comb and mouthwash on request - just reach out to our cabin crew.

We have partnered with SEES to bring the highest quality body care products on board.

Available on request: Forest Kiss lip balm – The world's first lip balm in a tube that contains Re-Connecting Nature™ forest microbes.

- Strengthens the delicate skin of the lips
- Reduces potential irritation
- Speeds up skin repair and renewal

In the lavatories: SEES hand wash and hand & body lotion.

All SEES products are biodegradable and made in Finland.

Enjoy your flight on board Finnair!

Please note that the amenity kit you receive may feature different print and colour scheme
