Summer flavours and anniversaries

With this selection we want to bring the taste of summer into your glass. You may enjoy the fruity L'Ostal Rosé, which was a customer favourite last year. Vintage 2023 received 90 points from Parker. From Ainoa, we picked the unique, sweet wine made from Finnish raspberries. Ainoa "Vaapukka" pairs perfectly with desserts of many kinds.

Our iconic blueberry juice celebrates its 10th year on board in 2025. The signature drink is loved by many and has become an important part of the Finnair experience.

This year we are also celebrating the 200th anniversary of our long-time partner Champagne Joseph Perrier. Their classic Cuvée Royale was served on board Finnair for the first time 25 years ago, in 1998.

A toast to summer, our blueberry juice and Champagne Joseph Perrier!

CHAMPAGNE
JOSEPH PERRIER
À CHÂLONS-EN-CHAMPAGNE
FONDÉ EN 1825

We are celebrating Joseph Perrier's 200th anniversary and 25th year onboard Finnair

The only *maison* of Champagne in Châlons-en-Champagne was founded in 1825 by François-Alexandre Perrier and his son Joseph. As it celebrates its 200th anniversary in 2025, Joseph Perrier reflects on a remarkable journey shaped by passion, expertise, and a deep respect for its terroir.

Marking this milestone, Joseph Perrier continues to look toward the future with the same dedication that has guided it for two centuries. Environmental responsibility, sustainable viticulture, and a respect for craftsmanship remain at the heart of its philosophy. By balancing tradition with forward-thinking initiatives, the House ensures that its champagne will continue to inspire and delight for generations to come.

CUVÉE ROYALE - BRUT

The true expression of the house style.

A symbol of the know-how of *maison* Joseph Perrier, Cuvée Royale Brut embodies the elegance and balance that define our champagnes. Its name pays tribute to the House's historical ties with the British royal courts in the 19th century, reflecting a refined and timeless style.

A harmonious blend of the three Champagne grape varieties chardonnay, pinot noir, and meunier—this cuvée delights with its freshness, finesse, and aromatic complexity. Carefully aged in our Gallo-Roman cellars, it reveals a beautiful maturity and delicate effervescence, making it the perfect companion for any moment of enjoyment.
