Eat well.

Slow down.

Business Class – Summer 2026

In Finland, food is enjoyed in a seasonal, simple way.

Finnish food habits are simple: eat well, don't rush, and leave space in between. The best meals are often the ones that feel unforced and even unplanned.

As you arrive in Finland, we invite you into a calm way of doing things. Meals are unhurried, flavours are clear, and simplicity comes with care.
