The spice
of the season?
Silence.

Business Class – Autumn & Winter

The quiet season has landed

As the days feel short up north, we Finns turn towards simple, unhurried pleasures.

We give ourselves permission to log out, get cosy with candles and woolly socks and enjoy the silent forests, fields and fells. Gather around the table with our nearest and dearest. Just keep it nice and quiet.

That same mentality guides this menu, crafted with care. Take your time to enjoy it. There's no better side dish than slowing down.
